

The Formula? We plan. To succeed.

Blue Zorro provides managed offshoring & outsourcing services. Under the managed-services model, Blue Zorro delivers a specified capability or functionality with a desired level of service for a given price.

Our objective is to change the traditional model for contracting offshore services, by focusing on the quality of services delivered rather than the usual benchmarks of costs per offshore hire.

Our approach is based on emerging industry trends & practices identified as catalysts for transformational change in the Offshoring & Outsourcing landscape, enabling Blue Zorro to achieve higher performance levels and provide more sophisticated offerings.
